NISSAN VTRS

VEHICLE TRACKING
AND RECOVERY SYSTEM

Your vehicle is more than just another vehicle. It's your passion, your pride and your ride. Go the extra mile and protect it from theft loss with the Nissan VTRS, powered by Guidepoint, the leader in GPS-enabled Stolen Vehicle Recovery Systems.

Nissan VTRS gives you everything you need to get your vehicle back quickly and safely following a theft. Plus, with two optional plans to choose from, you can get the added protection you need for anything you might encounter on the open road.

AND RECOVERY SYSTEM

VEHICLE TRACKING
VEHICLE RECOVERY
DRIVER SAFETY
& CONVENIENCE

Protect Your Vehicle. Safeguard Your Family.

Whether you need to protect your vehicle against loss from theft or protect your family against the most threatening driving risks, your Nissan VTRS is your ultimate all-in-one security blanket.

Nissan's VTRS service plans combine 24/7/365 stolen vehicle recovery, online vehicle tracking, driver safety and convenience services into one comprehensive package. Ideal for concerned parents of teen drivers, adult children of aging parents, business owners or anybody who's concerned with protecting their family and vehicle.

Rapid Recovery, 24/7/365.

With just one call to the Guidepoint Response Center, Guidepoint will identify your vehicle's exact location – anywhere throughout the U.S., Canada and Mexico. Then, Guidepoint's recovery specialists will work with law enforcement non-stop until your vehicle is recovered and returned safely to you – often in as little as two hours.

The Help You Need. Anywhere. Anytime.

Having a Nissan VTRS in your vehicle entitles you to more than fast and reliable stolen vehicle recovery – it also protects you in case of any emergency with E-call Emergency Dispatch Service. When you're facing trouble on the road, the Guidepoint Response Center is standing by 24/7/365, ready to step in.

With one call, we'll rush you all the help you need, from the Police, the Paramedics and the Fire Department. We'll even dispatch a tow truck when your vehicle becomes disabled for any reason.*

* Free Dispatch Service does not include Roadside Service Fees.

The Information You Need. Anywhere. Anytime.

With Nissan VTRS you'll get the answers you can trust without all the nagging. An easy-to-use Web interface lets you instantly see your vehicles location, get notified if it's speeding or travels where it's not supposed to be.

Your Own Personal Concierge.

Whether you're traveling cross-country or driving cross-town, your Nissan VTRS gives you your very own personal assistant. Whether you want help finding the nearest hotel, dinner reservations, getting the morning traffic report, or just about anything else, your Personal Concierge will take care of everything for you.

Personal Safety and Security in the palm of your hand.

Download the Nissan VTRS Smartphone App and keep your VTRS Plan features with you wherever you go. Find out your vehicle's exact location. Track its speed. Know where it's been. Plus, get a whole new level of control over your vehicle, including, speed and geographic boundary alerts, personal concierge services and so much more — all from your Smartphone. Available for: iPhone, Android and Blackberry Smart Phones.
